Description

The Dessert Service comprises of fourteen pairs of Dessert Knives and Forks (28 pieces in total). Each piece has a beautiful chamfered shaded Scottish agate handle, the forks with silver tines and the knives with silver blades. The handles are attached to the silver with a ribbed moulding. The Service is in excellent condition and each piece is very well marked. All pieces are contained within a velvet lined, fitted, brass bound case, with removable tray. Willaim Chawner made very fine sets of flatware and dessert services.Length of the Knives: 7.9 inches, 19.75 cm.Length of the Forks: 6.45 inches, 16.13 cm.
