

A rare pair of George III Magnum Coasters made in London in 1810 by
Solomon Hougham

Sold

REF: 108563

Height: 2 cm (0.8")

Diameter: 6 cm (2.4")

Description

The Coasters have a finely gadrooned rim and deep sides which are decorated with a raised band of lobing. The Coasters are in excellent condition, have good marks and their original turned fruit wood bases. Coasters of this size are difficult to find from the Georgian period and much sought after.
