

An extremely rare Filigree Case modelled as a book and made, most probably in London, circa 1760.

Sold

REF: 375112

Description

This beautiful case is modelled as a book with divided spine and two filigree fastening clasps and was probably used to contain a precious paper book or aide memoire. The centre of the front and the back displays a central raised rayed flower head and unusual tr-furcated motifs in each corner. This piece is in quite excellent condition and the quality of the filigree modelling is exceptional. Length: 2.9 inches. Width: 1.85 inches. Height: 0.45 inches.
