Description

The label is modelled in an unusual die stamped vine leaf, with matted surface, a different design to that as seen in London at this date. The centre is engraved on a raised banner with BUCELLAS and the reverse displays a good set of marks. This piece is in quite excellent condition, It is rare to find an Irish made Bucellas label, however to find one by a scarce Cork maker is very desirable indeed. Length: 2.5 inches, 6.25 cm. Width, at the widest point: 2.5 inches, 6.25 cm.
