## MARY COOKE ANTIQUES LTD Fine Antique Silver

A extremely rare George III Acorn Caddy Spoon made in Birmingahm in 1807 by Joseph Willmore.

Sold

## Description

This caddy spoon is modelled in one of the rarest acorn forms to be found. The bowl is shaped as an acorn and decorated with matted foliate details. This example is very well marked and has a twisted loop handle. Due to its rarity, is is not illustrated in "Caddy Spoons" by Captain John Norie.

Length: 2.5 inches, 6.25 cm.
