

A rare George III Filigree Caddy Spoon made circa 1800

Sold

REF: 153529

Height: 2 cm (0.8")

Width: 3 cm (1.2")

Description

This very rare filigree Caddy Spoon was most probably made in Birmingham and is beautifully modelled to simulate a leaf with filigree scroll work. This piece, unusually, also has a filigree loop handle, with vacant cartouche. This is the first time we have seen this very rare design.
