Description

This example is referred to as the "Kidney" Caddy Spoon as the bowl is shaped like a kidney with raised sides.  The bowl is engraved with an unusual band of wriggle work, on a scratch engraved ground.  The handle is decorated with trailing foliate designs and a vacant oval prick dot cartouche.  This was a design mostly made in the workshops of Cocks and Bettridge in Birmingham and a similar design can be seen in "Caddy Spoons" by Captain John Norie, Plate 50.Length: 1.5 inches, 3.75 cm.Width of the bowl: 1.75 inches, 4.38 cm.
